AD AUTO EXPORT is not liable for delays or losses caused by shipping lines, customs inspections, or other factors beyond our control, such as changes in laws, customs policies, natural disasters, or force majeure events. We cannot guarantee the schedules or actions of shipping lines and customs authorities. As a business, we have no control over the operations of governmental customs authorities or the activities of shipping lines.

AD Auto Export shall not be held liable for any manufacturer defects, hidden defects or mechanical issues, recall campaigns related to the vehicle. Responsibility for such defects lies entirely with the vehicle's manufacturer. AD Auto Export may, at its discretion, assist in facilitating communication with the manufacturer or in providing relevant documentation, but assumes no legal or financial responsibility for resolving such issues.
